

Halton Children's Water Festival Special Needs Form

Please print clearly in the spaces provided below.

EMAIL to waterfestival@hrca.on.ca

Attention: Halton Children's Water Festival Coordinator

Phone: 905-336-1158 ext.2324

Our program aims to be accommodating and accessible wherever possible for all students. Having accurate information is extremely important in making this happen. In order to best include your students in the activities provided we require you to identify students with special needs. This information will remain confidential. We are able to accommodate participants with mobility challenges through the use of an all-terrain wheelchair or a special needs shuttle.

School Name: _____

School Address: _____

City: _____ Postal Code: _____
